ASHLAND MIXTURE

These are all extra selected new varieties from our seedlings, many of which are well worthy of naming and introduction but we cannot do so owing to other somewhat similar kinds. I know they will please you and you will be sorry that you did not buy more when you see them in bloom.

Per dozen postpaid\$.75
Per 100 (postpaid)\$3.50

ACCIDENTAL MIXTURE

In the course of a year a large number of bulbs get accidentally mixed, and any that I am not positive about, are thrown into this mixture. It contains many named varieties and while I guarantee nothing yet there are some of my best varieties included. If you want to buy a "pig in a poke" try some of these.
